Brian Holmes - Co-founder of Lockside Trading

In Memory of Brian...

Brian's Not Just Blues Festival is a continuing celebration of the things that Brian loved most in life - excellent music, good friends, the gathering and giving to our community and having a great time. Brian's day, is a way for us all to come together and share with each other the importance of celebrating life, as he did.

This event marks our 8th year and 5th campaign objective in honouring Brian's memory. Our goal is to raise funds for the Gainey Foundation. We give special thanks to the Gainey family for sharing their personal cause with our community objectives. For more information on the Gainey foundation please visit www.gaineyfoundation.com. Think of Brian today, and think of all of those special people who have touched your life and know that we can come together and take action for this worthy cause.

Please give generously today. We can think of no greater tribute to the life of this extraordinary man.
